

Consultation for a health problem

BY APPOINTMENT AT ANY TIME

Bring with you the health certificate, copy of your animals file from previous veterinarian and list of medications taken by you pet.

What is the reason for your visit? _____

Have you seen another veterinarian? _____

If yes you can ask them to transfer your file. It can be sent by your veterinarian by email at info@hvsa.ca or faxed at 819-326-2230.

When did you notice the problem? _____

You can also ask the people around what changes they have observed.

Food: Does it eat normally? _____

What does it eat? Quantity _____ Frequency _____

Is there any vomiting? _____ Frequency _____ Quantity _____

Is there any diarrhea? _____ Frequency _____ Color _____

Does it urinate normally? _____ Frequency _____ Color _____

If you come for a urine problem, please bring a fresh urine sample. If you can't take one, please don't make your animal urinate before the appointment.

Upon your arrival: Notify us of your arrival.

Keep your animal on a leash or in its cage.

Do not put it in contact with other animals present.
They may be here because they are sick.

Do not touch the other animals in order to not contaminate yours.
